Desi Khand

Treewell Desi Khand is a traditional Indian sweetener made from the juice of sugarcane, carefully boiled down to create a rich, caramel-like paste. Free from additives and preservatives, Treewell Desi Khand is an excellent choice for those seeking a natural sweetener that's both delicious and nutritious.

Key Benefit of Treewell Desi Khand

1. Traditional Indian Sweetener
2. Natural and Unrefined
3. Rich in Minerals
4. Supports Immune Function
5. Versatile and Delicious

Brown Sugar

Treewell Brown sugar is often perceived as a healthier alternative to white sugar. The "benefits" are primarily due to the presence of molasses, which gives brown sugar its color and slightly different flavour.

Key Benefit of Treewell Brown Sugar

Contains Trace Minerals: Treewell Brown sugar contains some amounts of minerals like calcium, potassium, iron, and magnesium, which come from the molasses.

Moist Texture: The molasses in brown sugar make it moister, giving it a softer texture and richer flavor.

Gir Cow Ghee- A2

Experience the difference of A2 Gir Cow Ghee, made from the milk of native Indian Gir cows, naturally rich in A2 protein for easier digestion and genuine wellness

Discover the gold standard of purity, Treewell Gir Cow Ghee is meticulously prepared using the ancient Bilona method.

This traditional hand-churning process ensures maximum nutrient retention and unparalleled authenticity.

Key Benefit of Treewell Gir Cow Ghee- A2 Bilona

1. **Vitamins:** Excellent source of fat-soluble vitamins A, D, E, and K, crucial for immunity, bone health, vision, and cellular protection.
2. **Healthy Fats:** Contains beneficial fatty acids like Butyric Acid (excellent for gut health), Omega-3, and Omega-9 fatty acids (beneficial for heart health and anti-inflammatory-properties).
3. **Boosts Immunity:** Rich in antioxidants and essential fatty acids that strengthen the body's natural defense mechanisms.
4. **Balances Doshas:** According to Ayurveda, it helps balance Vata, Pitta, and Kapha doshas
